I always knew you were a bad boy
I used to think that it was cool
You took me down just like a Rob Roy
But now I'm coming next to you

Run, devil, run, run, devil, run, run
Run, devil, devil, run, run

I never knew about your red horns
I never saw your evil start
You used to be what I would live for
But then you went and slapped my heart

The promises that you promised
are about as real as an air guitar
So watch your back 'coz imma steal your car

Chorus:
You better run, run, run, run, run
Cause there's gonna be some hell to pay
You better run, run, run, run, run
And that's the only thing I'm gonna say, hey
I wish I've known the right from the start
that I was dancing with the dark
You better run, run, run, run, run
Devil, run, run, devil, run, run
Run, devil, devil, run, run

Now that you're living with the vampires
You better get yourself a gun
I'll make you sing just like a boy's choir
I'll string you up to have some fun

Run, devil, run, run, devil, run, run
Run, devil, devil, run, run

(Repeat Chorus)

Run devil, run, run, devil, run, run
Run devil, devil, run, run

I'm throwin' the trash, clearin' the junk

I'm firin' the cannon, you gonna get sunk
You better sail off to the seven seas
There's not enough room for you and for me
(Once again, if you please)
There's not enough room for you and for me

(Repeat Chorus)

Run, devil, run, run, devil, run, run
Run, devil, devil, run, run
