::Verse 1::

We was out to catch a flick
Just me and my clique
I made sure that we was late
Cuz the movie started at 8
I was chilling in my seat
Took the first one I could see
This boy came and sat beside, next to me,
He really blew my mind

::Bridge::

Can't concentrate
Feeling sweaty
Getting butterflies
Getting dizzy
Got to keep it cool
Got to keep it fly
And remember... he is just a guy
Tell me what is this i feel inside
I never felt like this before I...
But I got to keep it real tonight

::Chorus::

This boy he got me shook
Cuz he's looking so fine
He's gonna be mine
The way that he moves
just gets to me Keep shakin that thing,
And making me sing
He got just what I like
Everyday of the week
My babys so sweet
Come over here and turn off the light
You lookin so right, your game is so tight
This boy he's got me shook

::Verse 2::

Back stage at the fashion show
Lights down I'm ready to go
Walking up down the runaway
I saw the boy from the other day
He was checkin my silky gear
Didn't expect him to be here
And Keshia's got a secret

He's the boy I wanna be with
::Bridge::
Can't concentrate
Feeling sweaty
Getting butterflies
Getting dizzy
Got to keep it cool
Got to keep it fly
And remember... he is just a guy
