Oh Oh Oh  
(Oh )  
Oh Oh

Oh Oh Oh  
(Oh)  
Oh Oh

Were cruzin' tonight  
We got the roof back  
More hall and drive  
Were at the top (ya)  
Foolin' off  
Gettin' lost in the city lights  
Take it to the Hollywood sign

Sometimes I think about it  
The world was about to end  
I call the people who have been there thur the thick and  
thin  
I'll buy a bottle of the finest scotch there ever was  
And we can watch it blow  
Into oblivion

And we go down, down, down like shooting stars  
In the night time, time, time while the worlds still ours  
We won't cry, cry, cry while the ending starts  
Were goin' down, down, down, doin' shots on the hood  
of my car  
(Oh Oh Oh)  
(Oh Oh Oh)  
Were goin' down, down, down, doin' shots on the hood  
of my car  
(Oh Oh Oh)  
(Oh Oh Oh)  
Were goin' down, down, down, doin' shots on the hood  
of my car

Close night  
(ah)  
I see the sun rise  
I'll take it off

(ah)  
And watch the time fly  
Catchin' rides  
Ridin' high  
In the twilight  
Livin' thur these Hollywood nights

Sometimes I think about it  
The world was about to end  
I hope I go out with a bang  
And my sickest friends  
I give a toast and brake the bottles on the out sprout  
And watch the world expload  
Like it was last call

And we go down, down, down like shooting stars  
In the night time, time, time while the worlds still ours  
We won't cry, cry, cry while the ending starts  
Were goin' down, down, down, doin' shots on the hood  
of my car  
(Oh Oh Oh)  
(Oh Oh Oh)  
Were goin' down, down, down, doin' shots on the hood  
of my car  
(Oh Oh Oh)  
(Oh Oh Oh)  
Were goin' down, down, down, doin' shots on the hood  
of my car

Oh Oh  
(ah)  
Oh  
(ah)  
Oh Oh Oh

Not for the money  
Not for the fame  
Every night and everyday  
I'm just doin' this my way  
I'm just doin' this my way

Lets just take our finally bow  
As the lights are burnin' out  
Goin' down  
Goin' down  
Down  
Down  
(Down, down)

And we go down, down, down like shooting stars  
In the night time, time, time while the worlds still ours

We won't cry, cry, cry while the ending starts  
Were goin' down, down, down, doin' shots on the hood  
of my car

And we go down, down, down like shooting stars  
In the night time, time, time while the worlds still ours  
We won't cry, cry, cry while the ending starts  
Were goin' down, down, down, doin' shots on the hood  
of my car  
(Oh Oh Oh)  
(Oh Oh Oh)  
Were goin' down, down, down, doin' shots on the hood  
of my car  
(Oh Oh Oh)  
(Oh Oh Oh)  
(doin' shots on the hood of my car)  
Were goin' down, down, down, doin' shots on the hood  
of my car

Doin' shots on the hood of my car  
(Doin' shots)  
Doin' shots on the hood  
Doin' shots on the hood  
And we go down  
Doin' shots  
Doin' shots on the hood  
In the night  
Doin' shots on the hood of my car  
Doin' shots.
