This song is written in a form of a letter,  
For anyone who has ever been hurt, by that special  
someone

Why you keep telling me that,  
You ain't never coming back, that's too hard to take,  
Can you at least hear me out first?  
Though you think that i'm the worst, I made a mistake  
I never though I made you feel I didn't care,  
I know that I have hurt you, but you leaving just ain't fair  
Here is my apology

I'm sorry, for ever thinking of myself  
Forgive me don't want you loving no one else  
Stay with me don't want to feel the way you felt  
Oh no no, no, no, no  
I'm sorry, for ever thinking of myself  
Forgive me don't want you loving no one else  
Stay with me don't want to feel the way you felt  
Oh no no, no, no

Your like nothing that i've had before, I love your name  
I have let you down and baby i'm the one to blame  
This letter that i've written isn't something that I do  
That's why you must believe, that i'm still in love with  
you  
This is my apology

I can't think right  
My days seem night  
'Cause it's so cold  
And baby I know that  
Me alone ain't good  
I said, me alone ain't good  
I can't see straight  
Please heal my fate  
Don't run away  
I need you to stay cause  
Me alone ain't good  
I said, me alone ain't good

Boy, I'm sorry, for ever thinking of myself  
Forgive me don't want you loving no one else  
Stay with me don't want to feel the way you felt  
Oh no no, no, no, no, no, no  
I'm sorry, for ever thinking of myself  
Forgive me don't want you loving no one else  
Stay with me don't want to feel the way you felt  
Oh no no, no, no, no, no

I can't think right  
My days seem night  
'Cause it's so cold  
And baby i know that  
Me alone ain't good  
I said, me alone ain't good

Spite,  
What we've gone through  
(What we've gone through)  
I'm incomplete if i don't have you  
( I need you right here with me)  
My heart aches sence you left and I don't know what to  
do

I'm sorry, for ever thinking of myself  
Forgive me don't want you loving no one else  
Stay with me don't want to feel the way you felt  
Oh no no, no, no, no, no, no, no, no, no  
I'm sorry, for ever thinking of myself  
Forgive me don't want you loving no one else  
Stay with me don't want to feel the way you felt  
Oh no no, no, no, no, no
