Me and my girls hangin' out tonight
We decide we gonna step in line for the club, to see
whats up
Didn't know if we was getting in
No ID we don't got anything to show, oh no
Oh my God! Tell me what do I see
A hunny right in front of me and he's clockin' me
he steps through, I hope that I would too
Then the bouncer takes one look at me what are you
fifteen
U know u had me spinnin
Right from the beginnin'
When U put dat record on
U know I'm 'bouts to get my groove on
And I can't even imagine
If this thing didnt happen
The night is just beginnin'
And I'm already spinnin'
I tell the bouncer I'm herre all the time
didn't believe me, said he heard that line before, and
many more.
I try to tell that I'm 21 (nuh, uh girl)
Come on man I just look real young
I say please you gots to be to cool wit me
Then he smiled and said okay, alright but just for
tonight
I step inside. And right there before my eyes
He's in the dj both with headphones on,
and he's playing my song, Oh my God!!!!
[Chorus]
Got me spinnin' right round like a record baby! [x9]
[Chorus x2]
