[Verse 1]

In the middle of the night,
I was staring at the ceiling.
Baby, come turn on my night light
I've got a certain kind of feeling.
So I went over to my window,
All the world began to howl.
Got me growling at the full moon,
Come over here right now.

[Pre Chorus]

I am foaming at the mouth.
STARVING for a little bit of love.
Are you in or are you out?
You've got until I see the sun...

[Chorus]

Ahhh!
Baby hurry up.
Ahhh!
I'm STARVING for your love...
I'm STARVING for your love...

[Verse 2]

I thought last night I'd keep a low key,
I've been getting kinda twisted.
Yes, when you tried to call me,
I pretended I just missed it.
But then all the wine and whisky,
Started my imagination.
Now I need you to come and get me,
I've got a vicious proposition.

[Pre Chorus]

I am foaming at the mouth.
STARVING for a little bit of love.
Are you in or are you out?
You've got until I see the sun...

[Chorus]

Ahhh!
Baby hurry up.
Ahhh!
I'm STARVING for your love...
I'm STARVING for your love...
