LYRICS:

I'm just not  
Myself today  
I've been thinking  
Way too hard  
My cigarette  
Burns down so fast  
Is nothing permanent?  
I've been trying  
To figure out  
Your love is like  
What it's about

Why my foot is  
Always in my mouth?  
If nothing permanent?

I'm freaking out  
I'm feeling stuck  
I tell myself  
To lighten up

Only Styrofoam  
Lasts forever  
Only Styrofoam  
Only Styrofoam  
Only Styrofoam  
Lasts forever  
Only Styrofoam

Yeah  
Even you  
And I can't keep  
Staying up all night  
We need some sleep  
It's nothing personal  
Nothing personal  
Just nothings permanent

My hair colour  
My favorite band  
The Rolling Stones

The tattoo  
Thank god  
I didn't get  
That night  
I swore  
I'd never drink again  
Well  
Nothings permanent

I can't worry

About the problems  
That's done  
So put it  
To rest  
What done  
Is done

Only Styrofoam  
Lasts forever  
Only Styrofoam  
Only Styrofoam  
Only Styrofoam  
Lasts forever  
Only Styrofoam

In ten years  
Who will know?  
Who will care  
About the pain  
With that guy?  
What's his name?  
I don't know

In ten years  
Britney Spears  
Britney  
Who?

Only Styrofoam  
Lasts forever  
Only Styrofoam  
Only Styrofoam  
Only Styrofoam  
Lasts forever  
Only Styrofoam

Only Styrofoam  
Lasts forever  
Only Styrofoam  
Lasts forever

Only Styrofoam  
Lasts forever  
Only Styrofoam  
Lasts forever  
Only Styrofoam

Only Styrofoam  
Lasts forever  
Only Styrofoam  
Only Styrofoam  
Only Styrofoam  
Lasts forever  
Only Styrofoam

Only Styrofoam
