I know I haven't been my sunny self these days
But that don't mean you have to go & hide the
razor blades
So thank you for your good intention
But I don't need this intervention
Would you please just go away?
I'm not suicidal
I'm not in denial
I'm not not really feeling that bad (I'm not)
Just wait & we'll find out
Everything I whined about
Losing the illusions I have
I'm just a little sad
I'm just a little sad
I'm just a little sad
Why don't we say
I'm going through a phase
And that I got a lot of stuff to reevaluate
But I am sure that my condition (I'm sure)
Well in through that can just listen (You just listen)
I'm asking you to go away
I'm not suicidal
I'm not in denial (I'm not in denial)
I'm not not really feeling that bad
Just wait & we'll find out
Everything I whined about
Losing the illusions I have
I'm just a little sad (I'm Just A little Sad)
I'm just a little sad
I'm just a little sad
(You're not really that bad)
I can't believe that you're
You're still standing here (what are you doing
here?)
I shoulda locked the door
You shoulda disappeared
Too late (too late)
Just don't look at me that way
I'm not suicidal
I'm not in denial
I'm not really feeling that bad (Yeah)
Just wait & we'll find out

Everything I whined about
Losing the illusions I have
I'm just a little sad
I'm just a little sad
I'm just a little sad
I'm just a little sad
I'm just a little sad
