Baby when we're touching in the dark, can you feel it?  
I can hear the pounding of my heart, can you feel it?  
When you take my body to the stars, I believe it  
Boy this love is supernatural, can you feel it?

Come, take me by the hand  
Wanna cross the line, baby go ahead  
Till the morning light, watch my silhouette  
Cause you know tonight, we're gonna wake the dead

Get a little bit wrong  
Get a little bit wild  
Get a little bit high off of this love tonight  
Get a little bit raw  
Come a little undone  
Get a little bit reckless, I can't get enough

Baby when we're touching in the dark, can you feel it?  
I can hear the pounding of my heart, can you feel it?  
When you take my body to the stars, I believe it  
Boy this love is supernatural, can you feel it?

Come, take me in the night  
I feel it in my blood, want the darker side  
Baby when we touch, look me in my eyes  
Poison me with love, I'll bring you back to life

Get a little bit wrong  
Get a little bit wild  
Get a little bit high off of this love tonight  
Get a little bit raw  
Come a little undone  
Get a little bit reckless, I can't get enough

Baby when we're touching in the dark, can you feel it?  
I can hear the pounding of my heart, can you feel it?  
When you take my body to the stars, I believe it  
Boy this love is supernatural, can you feel it?  
(Feel it, feel it, feel it, feel it)

Boy this love is  
Supernatural

Boy this love is supernatural  
(Baby B-Baby B-Baby B-Baby B-Baby B-Baby B-Baby)

Baby when were touching in the dark  
I can hear the pounding of my heart

Baby when we're touching in the dark, can you feel it?  
I can hear the pounding of my heart, can you feel it?  
When you take my body to the stars, I believe it  
Boy this love is supernatural, can you feel it?
