[Verse 1]

Can I hit you later?
Cause it's my jam.
Rollin' in, my feet up, gold trans-am.
Sorry I can't hear you.
And I got plans.
You won't get me naked.
You had your chance.

[Chorus]

I know I said I wouldn't talk about you publicly,
But,
that was before I caught you lying and cheating on me,
slut!
I was down for you, hardcore.
While you were out trying to score.
Found out you're full of it.
I'm over it.
So suck my dick.

I heard a song on the radio,
and I see your face everywhere I go.
I thought I'd call just to let you know,
I've been thinkin' of you, thinking of you.

But now my song's on the radio,
And you see my face everywhere you go
I thought I 'd call just to let you know.
I've been thinking of you, thinking of you.

[Verse 2]

So I got your message,
Are you having fun?
With your fugly girlfriend?
Yeah, I moved on.
Can I hit you later?
Gotta get to stage
In a brand new city
Gettin' laid

I know I said I wouldn't talk about you publicly,
But,

that was before I caught you lying and cheating on me,
slut!
I was down for you, hardcore
While you were out trying to score.
Found out you're full of it.
I'm over it.
So suck my dick

I heard a song on the radio,
and I see your face everywhere I go.
I thought I'd call just to let you know,
I've been thinkin' of you, Thinking of you.

But now my song's on the radio,
And you see my face everywhere you go
I thought I 'd call just to let you know.
I've been thinking of you, thinking of you.

I heard a song on the radio,
and I see your face everywhere I go.
I thought I'd call just to let you know,
I've been thinkin' of you. Thinking of you.

But now my song's on the radio,
And you see my face everywhere you go
I thought I 'd call just to let you know.
I've been thinking of you, thinking of you.
