I could see it in your eyes
tasted it in our first kiss
Stranger in this lonely town
Saved me from my emptiness

You took my hand
Remember you told me it would be okay
I trusted you to hold my heart
But fate is pulling me away from you

Chorus:
Even if I leave you now
and it breaks my heart
Even if I'm not around
I won't give in, I can't give up

On this love, you've become a piece of me

It makes me sick to even think
of mornings waking up alone
Searching for you in my sheets, Don't fade away

Repeat Chorus

On this love, I can't just lose you, no
On this love, I never felt anything like this before
(like this love)

Tell me the truth, no matter what we're going through!
Will you hold on too?

Repeat Chorus (2x)
I won't give in, I can't give up

On this love...
