I think about you all the time  
One look, my knees get weak  
Practically die  
So hard to sleep  
When i'm so close to this dream coming true  
True, True  
How do I tell, tell you?  
When....

Chorus:  
I can't speak  
I'm terrified  
Cause if I  
Say the wrong thing  
You might see how hard i'm trying  
Is this made up  
Or true love  
Is this true love  
Is this true love

Walk by and i'm a nervous wreck  
The way you smell  
The way you dress, is so perfect  
My tonuge is tied cause  
I can't translate these feelings inside ide ide  
Oh

Chorus:  
I can't speak  
  
I'm terrified  
Cause if I  
Say the wrong thing  
You might see how hard i'm trying  
Is this made up?  
Or true love  
Is this true love  
Is this true love

I want to tell you my secrets  
I'll tell you everything  
My heart is racing

I'm waiting for some time from you  
How do I say it to my True Love (True Love)  
Tell me you feel it to my true love (True Love)

Chorus:

I can't speak  
I'm terrified  
Cause if I  
Say the wrong thing  
You might see how hard i'm trying  
Is this made up?  
Or true love  
Is this true love  
Is this true love
