[Chorus]:

We were born to break the doors down,  
Fighting till the end.  
It's something that's inside of us,  
It's how we've always been (yeah).  
Warrior-rrior-rrior, warrior-rrior.  
Warrior-rrior-rrior, warrior-rrior.

[Verse 1]:

We are the misfits,  
We are the bad kids,  
The degenerates.  
We ain't perfect but that's all right!  
Love us or hate us,  
Nothing can break us,  
Better believe us.  
Times, they are a' changing tonight!

[Hook]:

We the ones who flirt with disaster.  
On your ass, we'll pounce like a panther.  
Cut the bull shit out with a dagger,  
With a dagger, with a dagger.  
Do or die, we all gonna stay young.  
Shoot the lights out like a machine gun.  
Think it's time for a revolution,  
Revolution, revolution.

[Chorus]:

We were born to break the doors down,  
Fighting till the end (yeah).  
It's something that's inside of us,  
It's how we've always been (yeah).  
Warrior-rrior-rrior, warrior-rrior.  
Warrior-rrior-rrior, warrior-rrior.

[Verse 2]:

Now this is our time,  
Our generation,  
And we're impatient.  
Animals, you ready to fight?  
Fight for the fuck ups,

Stand up for true love,  
We'll never give up.  
Live like it's our last night alive.

[Hook]:

We the ones who flirt with disaster.  
On your ass, we'll pounce like a panther.  
Cut the bull shit out with a dagger,  
With a dagger, with a dagger.  
Do or die, we all gonna stay young.  
Shoot the lights out like a machine gun.  
Think it's time for a revolution,  
Revolution, revolution.

[Chorus]:

We were born to break the doors down,  
Fighting till the end (yeah).  
It's something that's inside of us,  
It's how we've always been (yeah).  
Warrior-rrior-rrior, warrior-rrior.  
Warrior-rrior-rrior, warrior-rrior.

[Bridge]:

Born to.  
Yeah.  
Warri-or.  
Oh yeah!  
Hey!

[Chorus]:

We were born to break the doors down,  
Fighting till the end (yeah).  
It's something that's inside of us,  
It's how we've always been (yeah).  
Warrior-rrior-rrior, warrior-rrior.  
Warrior-rrior-rrior, warrior-rrior.
