Why don't you like me?
I want make me feel
Like I'm in space with the stars
Make me feel all right
What do you want now?
Before I need to go
You know I needed to say
Why don't you like me now?
Why don't you like me now?
Why don't you like me? (2)
What I've heard
Is all these little lies

Why do they say them? NOW!
OOOOOH!
Why don't you like me now?
Why don't you like me now?
Why don't you like me? (2)
All this time
I've been bind sided
Why won't it seem
To be the same
Why don't you like me?
Why don't you like me?
Why don't you like me? NOW! (2)
