Verse 1:

They call me the princess and now the influences,
My mind a little dirty I'll tag team Bert and Ernie
Stop running my mouth but I'm not a quitter
More home base than a clean up hitter
Don't get paid to be a baby sitter
But I'll teach this song to your baby sister.

Build:

I live my life like I've been raised by wolves
Y'all already know I'm a fucking animal
I'm going out tonight to get the things that I need
I'm gonna take what's mine and do it viciously

Chorus:

We blow up the spot cause we're rolling like we're
superstars (oh we're stars)
Straight like a pimp with these hunnies on my arms (a-
arms)
Party people
If you're ready to throw down, like we've never been
allowed
If you just don't give a fuck throw em' up
Throw em' up, Everybody throw em' up

Verse 2:

It was hard at St.Mary's when sister margret sent me
Straight into confession, now that shit's my profession
I know ladies are to be seen not heard
Cook and clean not use our words
If you think that I'm too obsurd
Suck my dick while I flip the bird

Build:

I live my life like I've been raised by wolves
Y'all already know I'm a fucking animal
I'm going out tonight to get the things that I need
I'm gonna take what's mine and do it viciously

Chorus:

We blow up the spot cause we're rolling like we're
superstars (oh we're stars)
Straight like a pimp with these hunnys on my arms (a-
arms)
Party people
If you're ready to throw down, like we've never been
allowed

If you just don't give a fuck throw em' up

Throw em' up, everybody throw em' up

Bridge:

Drop, hallelujah, hallelujah, hale-hale-hallelujah,

hallelujah

Woo Hoo

Chorus:

If you're ready to throw down, (Woo hoo) like we've
never been allowed (woo hoo)

If you just don't give a fuck (woo hoo) throw em' up
throw em' up (woo hoo)

Errybody throw em' up (woo hoo)
