will i be his one and only
he dont know a thing about me

he dont know a thing about me
should i really be his shorty

is he leading me on
but i felt that i'm right

should i get with him
cause i need to know

what am i supposed to do,now
see i'm fallin for this boy
and he has no clue
is it just a phase he's got

stay on hard in the drop top dealing
