Last Christmas, I gave you my heart  
But the very next day you gave it away  
This year, to save me from tears  
I'll give it to someone special

Last Christmas, I gave you my heart  
But the very next day you gave it away  
This year, to save me from tears  
I'll give it to someone special

Once bitten and twice shy  
I keep my distance, but you still catch my eye  
Tell me baby, do you recognize me?  
Well it's been a year, it doesn't surprise me  
Merry Christmas

I wrapped it up and sent it  
With a note saying "I love you", I meant it  
Now I know what a fool I've been  
But if you kissed me now, I know you'd fool me again

Last Christmas, I gave you my heart  
But the very next day you gave it away  
This year, to save me from tears  
I'll give it to someone special

A crowded room, friends with tired eyes  
I'm hiding from you, and your soul of ice  
My god I thought you were someone to rely on  
Me, I guess I was a shoulder to cry on

A face on a lover with a fire in heart  
A girl under cover but you tore me apart  
Now I've found a real love, you'll never fool me again

Last Christmas, I gave you my heart  
But the very next day you gave it away  
This year, to save me from tears  
I'll give it to someone special (they have to be special)

A face on a lover with a fire in heart

A girl under cover but you tore me apart  
You know what I'll do next time  
I'll give it to someone special, they gotta be special

Last Christmas, I gave you my heart  
But the very next day you gave it away  
This year, to save me from tears  
I'll give it to someone special

Last Christmas, I gave you my heart  
But the very next day you gave it away  
This year, to save me from tears (I know I gotta do)  
I'll give it to someone special

Last Christmas, I gave you my heart  
But the very next day you gave it away  
This year, to save me from tears (I know I gotta do)  
I'll give it to someone special
