Yeah yeah  
Yeah

[Verse 1]

When we was out  
To catch a flick  
Just me  
And my clique  
I made sure that we wasn't late  
Cause the movie started at eight  
I was chillin' in back seat  
Take the first one I can see  
This boy came and sat beside,  
Next to me,he really blew my mind

Can't concentrate,feelin' sweaty  
Gettin' butterflies gettin' dizzy  
Got to keep it cool  
Got to keep it fly  
And remember,he is just a guy  
Tell me what is this feel inside  
I never felt like this before alright,  
But i got to keep it real tonight  
This boy he got me shook

[Chorus]

Cause',he's looking so fine  
He's gonna be mine  
The way that he moves just gets to me  
Keep shaking that thing,  
Your making me sing  
He got just what I like.  
Every day of the week,  
My baby's so sweet  
Come over here and Lets Sit Down 2nite  
Your looking so right  
Your game is so tight  
This boy he got me shook.

[Verse 2]

Back stage at the fashion show  
Lights out,

I'm ready to go  
Looking down at the runaway,  
Saw the boy from the other day  
He was checking out my silky gear,  
Didn't expect him to be here.  
And Keshia's got a secret,  
He's the boy, that I wanna be with

Can't concentrate, feelin' sweaty  
Gettin butterflies gettin dizzy  
Got to keep it cool  
Got to keep it fly  
And remember, he is just a guy  
Tell me what is this feel inside  
I never felt like this before alright,  
But i got to keep it real tonight.  
This boy he got me shook

[Chorus]

Cause', he's looking so fine  
He's gonna be mine  
The way that he moves just gets to me  
Keep shaking that thing,  
Your making me sing  
He got just what I like.  
Every day of the week,  
My baby's so sweet  
Come over here and Lets Sit Down 2nite  
Your looking so right  
Your game is so tight  
This boy he got me shook.

[Bridge]

Mm mm yeah yeah  
Mm mm yeah yeah  
Mm mm yeah yeah  
All that I could say was:  
Mm mm yeah yeah  
Mm mm yeah yeah  
Mm mm yeah yeah

This boy he got me shook

[Chorus]

Cause', he's looking so fine  
He's gonna be mine  
The way that he moves just gets to me  
Keep shaking that thing,  
Your making me sing  
He got just what I like.  
Every day of the week,

My baby's so sweet  
Come over here and Lets Sit Down 2nite  
Your looking so right  
Your game is so tight  
This boy he got me shook.

Cause', he's looking so fine  
He's gonna be mine  
The way that he moves just gets to me  
Keep shaking that thing,  
Your making me sing  
He got just what I like.  
Every day of the week,  
My baby's so sweet  
Come over here and Lets Sit Down 2nite  
Your looking so right  
Your game is so tight  
This boy he got me shooooooooook.
