Cause I'll be Table Dancing
This is your chance yeah
To be with me and you will see
Up on the table dancing
That's where romance is
If you're with me
And you will see
DJ DJ

Thank you DJ for playing my song
Put that shit on replay all night long
Hey Bartender better move those bottles
Better clear those tables
cause they 'bout to be filled with models

DJ DJ
Put that shit on
(Replay Replay)
Spin it all night long

Come on closer into my world
Show you all the reasons why I'm your favorite girl

Be beside me don't let me fall
Just hold me close and don't let go until last call
