It only took a minute  
For me to know  
That ia m too hard to win it  
That's for sure  
No one made me feel like this before  
This before  
You stroke a... in me  
And take much time  
What you supposed to hit me  
Back to life  
No one is gonna break us down  
When they are gonna hear the sound

Chorus  
Is crushing down like thunder  
Is the spell that I am under  
I have been running for cover  
I am running  
Just it... down on me  
Crushing down like thunder

It's raining in heaven baby x3  
Stay by you forever and a day

That's the promise that I make  
No one made feel like this before  
This before

Every single time I am with you  
Lightning strikes I don't wanna lose this feeling  
Is so right no one is gonna break us downy  
You will know when you will hear the sound

Chorus  
Is crushing down like thunder  
Is the spell that I am under  
I have been running for cover  
I am running  
Just it... down on me  
Crushing down like thunder

It's raining in heaven baby x3
