How can I forget  
The longings of my heart  
It's you I think of night and day

I know I couldn't touch you  
I know I couldn't hold you  
Though I wish I'm really close  
To stare for you

Chorus: You are the reason  
The seasons of my life  
You're everything I wish and live for  
Give me an answer  
Show me the way  
You're breaking me, leaving me in pain

You're the burning flame  
In my heart and in my mind  
In the silence of the night  
I can hear you

My thoughts are all about you  
Alive and true to me  
But now I really have you  
Only in my dreams

(repeat Chorus)

Loving you changes everything  
It's giving me the strength  
And it's all because of you...

You're the burning flame  
In my heart and in my mind  
In the silence of the night  
I can hear you

I know I couldn't touch you  
I know I couldn't hold you  
Though I wish I'm really close  
To stare for you

(repeat Chorus)

You're breaking me...  
Leaving me in pain...
