Goodnight, sleep tight
You're going to see who you want to see
In dreamland;
Goodnight, sleep tight
You're going to be who you want to be
In dreamland.

Blushing faces, crazy places,
Paper chases, human races
Magical.

Falling, flying, leaping, lying,
Splashing, crashing, life is flashing
Magical
You're in dreamland....

Goodnight, sleep tight
You're going to see who you are when
You're in dreamland.

Blushing faces, crazy places,
Paper chases, human races
Magical.

Falling, flying, leaping, lying,
Splashing, crashing, life is flashing
Magical
You're in dreamland....
