You see it on the telly, all the shows about police,  
"Yeah real life stuff with blood and guts that show it  
like it is"

The poms have got the Sweeney,  
"The yanks start too much",  
But we're Australian super cops they call us Fair and  
Just.

'Cause I'm a fair dinkum asshole, "And I'm just a  
proper cunt",  
We used to be distarbowed but this is much more fun,  
"Kickin' ass and crackin' skulls", and bustin' our own  
moms,  
The best two coppers you can buy they call us Fair and  
Just.

I was born a fuckin' asshole so to me the job's just  
right,  
"And I deserve a fuckin' badge bein' a dead cunt all me  
life",  
And we're the fuckin' perfect pigs, "The fuckin' best  
there is"  
You'd have to team up walk in hell to find a bigger  
pair'a pricks,  
'Cause I handle all the hookers, "And me I handle thugs  
And I get off on bashin' poofers", and I get off on  
drugs,  
And I like interviewin' molls, 'cause they ain't got a  
fuckin' quid,  
"And I like interviewin' cunts around the face and  
fuckin' head".

Yeah I'm a fair dinkum asshole, "And I'm just a proper  
cunt",  
We used to be distarbowed but this is much more fun,  
"Kickin' ass and crackin' skulls", bustin' our own moms,  
The best two coppers you can buy they call us Fair and  
Just.

"I would'a liked to'a been a meetin' cop but, just  
imagine that",

Yeah a burnt out resource with a cunt, half way up it's  
back  
And I like pinchin' lady drivers 'cause I give 'em all a  
chance,  
"Yeah with your special triple eyes and kit hangin' out  
your pants",  
But we've learned some pretty useful stuff since we've  
been on the  
Force,  
Yeah like how to hold me fuckin' hand out, "And how to  
use a knife  
And fork,  
We're almost fuckin' human", yeah but the hardest  
thing we've found  
Is how to walk without our fuckin' knuckles draggin' the  
ground.

'Cause I'm a fair dinkum asshole, "Yeah I'm just proper  
cunt",  
We used to be distarbowed but this is much more fun,  
"Kickin' and crackin' skulls", bustin' our own moms,  
The best two coppers you can buy they call us Fair and  
Just.

"Yeah you're a fair dinkum asshole" and you're just a  
proper cunt,  
We used to be distarbowed but this is much more fun,  
Out there kickin' ass and crackin' skulls, "And bustin'  
our own moms",  
The best two coppers you can buy they call us Fair and  
Just.

'Cause I'm a fair dinkum asshole, "Yeah and I'm just a  
proper cunt",  
We used to be distarbowed but this is much more fun,  
"Kickin' and crackin' skulls", and bustin' our own  
moms,  
The best two coppers you can buy they call us Fair and  
Just.
