She said thank you
For the brand new super duper dildo
Super duper dildo
You say that it's the biggest one they had
Super duper dildo
Well I'm PMT and if that's meant for me
Then there's been a change of plans
So bend over and take it like a man

She said bend over
And take it like a man
Super duper dildo
Lets share the pleasure darling
Let me show how much I care
So spread those hairy butt cheeks in the air
Super duper dildo
And bend over and take it like a man

What do you reckon girls, yeah?
Get's better

She said, gonna thank you
With the brand new super duper dildo
Super duper dildo
With you tied spread eagle face down on the bed
Super duper dildo
And I've bolted it on to the black and decker
So lift your ass up in the air
And bend over and take it like a man

She said bend over
And take it like a man

Super duper dildo
Lets share the pleasure darling
Let me show how much I care
So spread those hairy butt cheeks in the air
Super duper dildo
And bend over and take it like a man

She said so thank you

For the brand new super duper dildo
Super duper dildo
As she dunked in the jar
Beside the bed
Super duper dildo
Was that KY gel or jelly sauce
I could not give a damn
Just bend over and take it like a man

She said bend over
And take it like a man
Super duper dildo
Lets share the pleasure darling
Let me show how much I care
So spread those hairy butt cheeks in the air
Super duper dildo
And bend over and take it like a man
Super duper dildo
And bend over and take it like a man
Super duper dildo
Girls all together
Just bend over and take it like a maaan
Super duper dildo
YES!
