Robbo was me knock about mate and a funny bastard  
too,  
There weren't a thing that I don't reckon Robbo couldn't  
do,  
He'd pull on near on anything he could to make a quid,  
But let me tell you 'bout the funniest thing I reckon  
Robbo ever did,  
We were pissed and broke in a country pub it was  
gettin' closin' time,  
When a circus poster near the dartboard caught ol'  
Robbo's eye,  
He stared a while then laughed out loud and slapped  
me on the back  
And said,  
"Mate I got the best idea I think I've ever had",  
He didn't tell me too much more 'til that circus got to  
town,  
But when he fronted in what he cooked up I was rollin'  
on the ground,  
He'd sewn sequins on his singlet, and on his under  
dungers too,  
Made a cape from an ol' red table cloth and glued  
glitter on his boots,  
And he just marched on to that circus ground as  
cheeky as you like,  
And when he grabbed the midget by the ear I nearly  
pissed me  
Strides,  
Then with a really woggy accent, he lift into his height  
and said,  
"Go and tell your boss the great Roberto has arrived".

I was there the day the great Roberto thrilled the  
crowd,  
The kids all shit the women screamed the men said  
'fuck' out loud,  
Roberto fuckin' bullshit it was Robbo fuckin' about,  
'Cause I was there the day the great Roberto thrilled  
the crowd.

The boss come thunderin' from his caravan one pissed

off midget  
Taggin' along,  
Stormed up and said to Robbo, "What the fuckin' hell's  
goin' on!"  
And like a real true blue professional Robbo threw his  
head right  
Back and said,  
"I'm the great Roberto come a to show for you my act",  
And I thought shit you fuckin' rat bag Robbo what you  
up to now?  
As he asked the boss to go and build a hundred meter  
tower,  
And for just a thousand dollars he'd perform his  
famous act,  
A perfect fuckin' swallow dive into a concrete slap,  
The boss's mouth flocked open and he said, "Mate if  
you're for real,  
And you do what you say you can then you got a fuckin'  
deal",  
And the midget stood there fumin' 'cause he had an  
act like that,  
Except he dived into a water tank not a fuckin' concrete  
slap,  
And Robbo saw the midget spewin' but he couldn't give  
a fuck,  
"Mr. Midget you can help me, you can mix the concrete  
up,  
And when you pour it on the ground make sure you  
spread it well,

Just in case the Roberto miss haha don't want to hurt  
myself, haha".

I was there the day the great Roberto thrilled the  
crowd,  
The kids all shit the women screamed the men said  
'fuck' out loud,  
Roberto fuckin' bullshit it was Robbo fuckin' about,  
'Cause I was there the day the great Roberto thrilled  
the crowd.

It took at least a couple'a days for them to build the  
tower,  
But it didn't take that fuckin' long for the word to get  
around,  
'Cause when Robbo finally lobbed there, to do his  
famous dive  
There was fuckin' people everywhere the cunts had  
come for miles,  
And when he stepped out in his sequin jocks a mighty  
roar went up,

But as he walked towards the tower, the roar turned to  
a hush,  
And they all watched in awe and silence for what  
seemed like half an  
Hour,  
As one by one and run by run Robbo climbed the tower,  
He give us thumbs up when he got there, just to let us  
know  
The great Roberto was about to dive so clear the decks  
below,  
Then someone yelled 'he's jumped' and as he hurdled  
towards the  
Ground,  
I sprung that fuckin' midget shakin' shit out of the  
tower,  
And when Robbo crunched into that slope I thought  
that's it fuck he's  
Dead,  
But he lay there clutched his scone and moaned, "Aww  
he fuckin'  
Head",  
And as the boss knelt down and asked him, "Does it  
always hurt like  
This?"  
I hears Robbo moan, "Dunno mate first time I done this  
trick".

I was there the day the great Roberto thrilled the  
crowd,  
The kids all shit the women screamed the men said  
'fuck' out loud,  
Roberto fuckin' bullshit it was Robbo fuckin' about,  
'Cause I was there the day the great Roberto thrilled  
the crowd.

Yeah I was there the day the great Roberto thrilled the  
crowd,  
The kids all shit the women screamed the men said  
'fuck' out loud,  
Roberto fuckin' bullshit it was Robbo fuckin' about,  
'Cause I was there the day the great Roberto thrilled  
the crowd.

Yeah I was there the day the great Roberto thrilled the  
crowd,  
The kids all shit the women screamed the men said  
'fuck' out loud,  
Roberto fuckin' bullshit it was Robbo fuckin' about,  
'Cause I was there the day the great Roberto thrilled  
the crowd.
