(Chorus)

It's all in Your name Lord  
Whatever I claim Lord  
Jesus what'soever  
I want is in Your name

It's all in Your name Lord  
Whatever I claim Lord  
Jesus what'soever  
I want is in Your name

You will supply Lord  
What'soever  
I want is in Your name

Whatever I want  
It's all in Your name  
Whatever I need

Whenever I call upon Your name  
All that I need You will surely bring  
It's all in Your name Lord  
It's all in Your name Lord  
All in Your name
