Sleep little baby sleep  
Away in a Manger  
No crib for a bed  
The little Lord Jesus  
Lay down His sweet head  
The stars in the bright sky  
Looked down where He lay  
The little Lord Jesus  
Asleep in the hay

And I welcome You in my heart  
I pray that we will never part  
This love You gave me  
Shining for the whole world to see  
Shining for the whole world to see

The cattle are lowing  
The sweet Baby wakes  
The little Lord Jesus  
No crying He makes  
I love you Lord Jesus  
Look down from the sky  
And stay right by my side  
Until morning is night

And I welcome You in my heart  
I pray that we will never part  
This love you gave me  
Shining for the whole world to see  
Shining for the whole world to see

In a world where darkness is everywhere  
People hurting, no one seems to care  
We need your love to shine down on me

You hear me Lord Jesus, I ask you to stay  
Close by me forever and love me I pray  
Bless all the dear children in Thy tender care  
And take us to heaven to live with You there

And I welcome You in my heart  
I pray that You will never part

This love You gave keeps  
Shining for unto us a Child is born  
Shining, Emmanuel, Prince of Peace to share  
Everlasting Father I love you  
What a wonderful King  
Keep shining so the whole world will see  
Sleep little baby, sleep  
Emmanuel... Sleep little baby, sleep
