i just want to be close to you.
sunshine, moonlight, delight just a couple words
describing who you
are.
lovely, so lovely - want everyone to know why I'm in love
with you
patient and strong, always, no matter what i face
you've been there to
bring me through.
just fine, (right on) on time, it took a while to see that
your love was true.

now no one can (undo)
i belong (to you)
until the end (of time)
good to know (good to know you're mine)
and all i want (to say)
til my dying (dying day)
i just want to be close to you

honest and sweet
heaven is where i want to be
where i am when I'm with you
perfect, yes perfect
it took a while to see, but now we know the truth

now no one can (undo)
cause i belong (to you)
until the end (of time)
good to know (you're mine)
and all i want (all i want to say - til my dying day)
i just want to be close to you

Come on CeCe follow me...
dah dah, you say (dah dah)
dah dah
dah dah dah dah dah dah dah dah dah dah dah dah
dah dah (mmm,mmm) dah dah
it took a while to see, but now we know the truth
now -no one can (undo)
i belong (to you)
until the end (of time)

good to know (you're mine)
and will, how long will you stay
i just want to be close to you
yeah yeah yeah yeah (how long will you stay)
i just wanna be close to you
