Whenever I call you're always there  
Whenever I'm hurting you ease the pain  
Never disappointed, never ever let down  
Never disappointed, never ever let down  
Never disappointed, never ever let down

Never too busy whenever I'm hurting  
To take the time out to stop the pain  
Never too hurried whenever I'm worried  
That's the reason I'll make it known

Every time I run to you  
Every time I come to you  
Every time I call you  
You're right there  
Every time I reach for you  
Anytime I ever needed you  
Every time I call you  
You're right there

It's not uncommon at the beginning  
For love to be at your beck and call  
It's been some time now and you haven't slowed down  
That's the reason I'll make it known

Every time I run to you  
Every time I come to you  
Every time I call you  
You're right there  
Every time I reach for you  
Anytime I ever needed you  
Every time I call you  
You're right there

It's not on purpose the wrong I've done  
It's just that my weaknesses caused me to run  
But the fear of failure loses it's scare  
In the calm of knowing you're always there

Every time I run to you  
Every time I come to you  
Every time I call you

You're right there  
Every time I reach for you  
Anytime I ever needed you  
Every time I call you  
You're right there, right there

Every time I run to you  
Every time I come to you  
Every time I call you  
You're right there  
Every time I reach for you  
Anytime I ever needed you  
Every time I call you  
You're right there

Every time I run to you  
Every time I come to you  
Every time I call you  
You're right there  
Every time I reach for you  
Anytime I ever needed you  
Every time I call you  
You're right there
