(CeCe Winans, Cedric & Victor Caldwell)

Every time I feel the spirit
movin in my heart I will pray
Every time I feel the spirit
movin in my heart I will pray

Time to escape all of your pain
leave all your worries never to find again
I know a safe place you can hide
where only love and peace will abide

Chorus

Come on everybody feel the spirit it feels good
Lift your head clap your hands and feel joy leap for it
Come on everybody feel the spirit it feels good
Its yours its free go ahead and dance and jump in

A great place to go, designed with you in mind
So don't be a stranger, you can live there all the time
In order to get there, you don't have to travel far
Pray without ceasing and it will come where you are
Repeat Chorus

Come on everybody
