Do you sit by yourself  
And wonder what life is all about?  
If there's a purpose or a plan  
Or does it happen by chance?  
Do you ever think why  
Things always turn out right  
No matter how bad  
You find your way again

I've learned how to keep it all together  
And now I know, nothing else matters

Refrain  
For love alone  
I live my life  
And from this moment on I vow  
To never lose sight  
If I ever doubt the reason why I'm here  
I'll start questioning my fears  
And know, it's for love alone

(yeah, yeah, yeah, yeah)  
Time flies so fast  
Live each day like it's the last (live each day like it's the last)  
Cherish what you have  
When it's gone you can't go back  
Cause at the end of the day  
When we are face to face  
I won't be afraid  
I am glad to say

I've learned how to keep it all together  
And now I know nothing else matters

Refrain  
For love alone  
I live my life  
And from this moment on I vow  
To never lose sight  
If I ever doubt the reason why I'm here  
I'll start questioning my fears

And know it's for love alone

What I have inside  
(what I have inside will never)  
It will never die (never die)

For love alone,  
I live my life  
And from this moment on I vow  
To never lose sight  
If I ever doubt the reason why I'm here  
I'll start questioning my fears  
And know it's for love alone

Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah,  
For love alone  
Yeah, yeah, yeah, yeah,  
Yeah, yeah, yeah, yeah,  
For love alone  
For love alone
