Hmmm
Nothing could be easier
Than telling You I love You
Nothing could be easier
Than saying I adore You
Take me to a deeper place
Bring me to a deeper faith
Show to me your hands of grace
And I will, I will

(Chorus)
I will love you always
I will serve you all my days
Follow you in every way
I will, I will
Worship you in Holiness
Honor You in every breath
Let my heart always confess
I will

Nothing could be sweeter
Than being in Your presence Lord
Nothing could be sweeter
Than bowing down in reverence
Take me to a deeper place
Bring me to a deeper faith
Show to me your hands of grace
And I will, I will

(Chorus)
I will love you always
I will serve you all my days
Follow you in every way
I will, I will
Worship you in Holiness
Honor You in every breath
Let my heart always confess
I will

I will, I will, I will

Only for You Lord,

Not my will but Yours Lord
Not my will but Yours
