So you got a bad report  
And it doesn't look good to you  
Put a praise on your lips  
This is what you gotta do  
Speak to your situation without hesitation  
God gave me this revelation just for you

[Bridge 1:]

It ain't over (It ain't over)  
No matter what you're going through  
It ain't over (It ain't over)  
God's gonna work it out for you  
If you can believe  
It ain't over  
Trouble don't last always  
It ain't over (It ain't over)  
It ain't over (It ain't over)

So you gave it all you had  
And you still came up short  
You been faithful through it all  
And you answered the call  
Keep your eyes on the prize  
Don't give up the faith  
God has a plan for you  
That's why we say

It ain't over (It ain't over)  
Weeping may endure for a night  
It ain't over (It ain't over)  
Joy's gonna come, joy's gonna come  
It ain't over  
If you just believe in the morning  
It ain't over (It ain't over)  
It ain't over

[Bridge 2:]

Whose report will you believe  
God has spoken  
Will you receive  
Oh, it ain't over (It ain't over)  
It ain't over (It ain't over)

It ain't over (It ain't over)  
It ain't over (It ain't over)

It ain't over (ooooh yeah)  
Said it ain't over  
Saints hold on, hold on, hold on, hold on  
If you just believe it ain't over (It ain't over)  
It ain't over (It ain't over)

[Bridge 2]

Oh yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah

Listen (It ain't over)  
Said it ain't over (It ain't over)  
Trust me (It ain't over)  
I know for myself it ain't over (It ain't over)  
Oh it ain't over (It ain't over)  
I believe it ain't over (It ain't over)  
It's just getting started (It ain't over)  
You gotta believe it ain't over (It ain't over)  
I believe (I believe He's got better things for me)  
I believe (I believe He's got better things for me)  
I believe (I believee  
Tell yourself I believe (I believe He's got better things  
for me)

Oh yes, it ain't over  
This is just a test of your faith  
(It ain't over)  
Won't be like this always, just believe  
(It ain't over)  
Don't give in, don't give up, you can make it, hold on  
(It ain't over)  
Cause there's a blessing in your storm

I believe  
(I believe He's got better things for me)  
Speak to yourself  
(I believe He's got better things for me)  
Proclaim it  
(I believe He's got better things for me)  
Shout it out loud  
(I believe He's got better things for me)  
Yes He does

It ain't over (It ain't over)  
It ain't over (It ain't over)  
It ain't over (It ain't over)  
It ain't over (It ain't over)

Clap your hands (It ain't over)  
Cause it ain't over (It ain't over)  
Stomp your feet (It ain't over)  
Cause it ain't over (It ain't over)  
Do your dance (It ain't over)  
Cause it ain't over (It ain't over)  
You gotta believe it (It ain't over)  
Cause it ain't over (It ain't over)  
Keep praying (It ain't over)  
Cause it ain't over (It ain't over)  
Keep hoping (It ain't over)  
Cause it ain't over (It ain't over)  
God said it (It ain't over)  
And it ain't over (It ain't over)  
It ain't over (It ain't over)  
Yeah yeah yeah (It ain't over)  
Ay, ay, ay ohhhh (It ain't over)

(It ain't over)  
(It ain't over)  
(It ain't over)
