[Chorus]

I wanna walk like You
I wanna talk like You
I wanna live like You
Just like You Jesus
I wanna pray like You
Wanna love like You
I wanna look like You
Just like You Jesus

Blameless, wisdom, power
All are characters of You
Always pleasing Father
Doing what He said do

[Chorus]

Holy, righteous, perfect
All are images of You
I can do all things through You
Help me to give glory due
[Chorus]

Just like You, just like You
I wanna be, just like You
Just like You, just like You
Help me to be, just like You

Walk like You, talk like You
Help me to live, just like You
Live like You, love like You
Help me to look, just like You

(I wanna live)
Just like You, just like You
I wanna live, live like You
Help me to live, just like You
