H*ll

O Mr. Busy

I wonder could you share a little time

Let me introduce you to abundance

All that you need I will supply

I wanna be everything

I wanna be more

Already know about the secrets

Already heard about the past

I didn't come to hold the guilt up over

Only want to share the love I have

All I wanna be is everything

I wanna be more than just your friend

Let me be the one to hold you through the night

Then I can take your enemy and win the fight

I wanna be more than just your sister

I wanna be more than next of kin

Gotta be more than just your brother

I wanna be more than just a friend

All I wanna be is everything

I wanna be more

Stay close to me

Be ready to hear my next words

I've got a lot of grace to deliver

And in case you haven't heard

I wanna be everything

I wanna be more

Many places I can take you

Many promises to fill

But in order to receive them

We've got to make this clear

I've got to be everything

I want to be more than just your friend

Let me be the one to love you when you're wrong

Then I can be the lyrics to a happy song

I wanna be more than just your sister

I wanna be more than next of kin

Gotta be more than just your brother

I wanna be more than just a friend

All I wanna be is everything

I wanna be more
