Been given this message to tell ya
Don't let it be said too late
Ready or not he is coming
Decision is yours lost or found
There's no where to hide

(chorus)

No hiding place down here there's no hiding place
No hiding place down here there's no hiding place

It's getting late in the evening
Looks like the sun is almost down
Where will you run when the world's on fire
I'm tellin you no there's no escape

There's no where to hide...
Don't try to hide...
Hey where you gonna run sinner man
You may run to the mountains
and the mountains will say
