Heavenly Father, there is no one greater  
How excellent is Thy name in all the earth  
Oh, Thou Most High, the Creator of life  
You're the Rock, the Fortress and Deliverer

I'm gonna sing Your praises everyday  
Got to tell the world about Ya  
Gonna lift my voice, make a joyful noise  
And this is why because there's

No one else  
(Not even mother)  
No one else  
(Not even father, no)

No one else  
(Not even lover loves me like You do)  
No one else  
(No need to fake it)  
No one else  
No one, no one else compares to You

Alpha and Omega, the beginning and the ending  
(Alpha and Omega)  
You control everything that's in between  
(Everything in between)  
Lily of the valley, completely lovely  
(Lily of the valley)

Reigning King, there's a refuge under Your wing  
I'm gonna sing Your praises everyday  
Got to tell the world about Ya  
Gonna lift my voice, make a joyful noise  
And this is why because there's

No one else  
(Not even mother)  
No one else  
(Not even father, no)

No one else  
(Not even lover loves me like You do)

No one else  
(No need to begin)  
No one else  
No one, no one else compares to You

(No)  
No one can even come close  
You can search now and forever  
It's not at all about what You have done  
It's who You are, just who You are

I'm gonna sing Your praises everyday  
Got to tell the world about Ya  
Gonna lift my voice, make a joyful noise  
Ain't never seen nothing like Ya

I'm gonna sing Your praises everyday  
Got to tell the world about Ya  
I'm gonna lift my voice, make a joyful noise  
And this is why because there's

No one else  
(Not even mother)  
No one else  
(Not even father, no)

No one else  
(Not even lover loves me like You do)  
No one else  
(No need to begin)  
No one else  
No one, no one else compares to You

No one else  
(Not even mother)  
No one else  
(Not even father, no)

No one else  
(Not even lover loves me like You do)  
No one else  
(No need to begin)  
No one else  
No one, no one else compares to You

No one else  
(Not even mother)  
No one else  
(Not even father, no)

No one else

(Not even lover loves me like You do)  
No one else  
(No need to begin)  
No one else  
No one, no one else compares to You
