I whisper words about You endlessly  
Mostly to myself 'cause You make me believe  
No one could ever love me like You could  
There wouldn't be a day I'd be alone  
And never would there be a time I didn't know  
'Cause no one could ever love me like You could

You have been the one who fulfills my dreams  
I'll never let You go  
If you stay with me  
I promise, You would know

(No one)  
Of all the times, I've reached out for You  
(No one)  
Oh, can't You see how I adore You  
I couldn't spend my life without You  
Please believe me, I would never doubt You

You've been the one to answer all my prayers  
Anytime I need You, I know that You'll be there  
'Cause no one could ever love me like You could  
I'm hoping that you'll hear these prayers of mine  
I'm hoping that we'll be together for all times  
'Cause no one could ever love me like You could

You have been the one who fulfills my dreams  
I'll never let You go  
If You stay with me  
I promise, You would know

(No one)  
Of all the times, I've reached out for You  
(No one)  
Oh, can't You see how I adore You  
I couldn't spend my life without You  
Please believe me, I will never doubt You

Oh, I would do anything for You  
To share that place in my heart  
Please let me be the one  
It would mean everything

There'll be no one to keep us apart

(No one)

Of all the times, I've reached out for You

(No one)

Oh, can't You see how I adore You

I couldn't spend my life without You

Please believe me, I will never doubt You

(No one)

Of all the times, I've reached out for You

(No one)

Oh, can't You see how I adore You

I couldn't spend my life without You

There is no one who could love me like You do

(No one)

Of all the times, I've reached out for You

(No one)

Oh, can't You see how I adore You

I couldn't spend my life without You

There is no one who could love me like You do

(No one)

Of all the times, I've reached out for You

(No one)

Oh, can't You see how I adore You

I couldn't spend my life without You

There is no one who could love me like You do
