How shall I begin
To speak about a God that I will never comprehend
So high and mighty and yet, closer than a friend
The beginning and the end
(mmmmm-mmmm, whooaa)
The mystery of His holiness
The wonder of His humanness
Are one...

One and the same
I can't do Him justice
With any one name
The Holy God of heaven
And the humble man who bore my shame
Are one, one and the same

I scarcely understand
How a simple servant can be called the Great I Am
How the Son of God
Is still the Son of man
Both the shepard and the Lamb
The healer and the wounded (wounded one)
Father and the only son
Are one...

One and the same
I can't do Him justice
With any one name
The Holy God of heaven
And the humble Man who bore my shame
Are one, one and the same

The way that we can come to know
The truth that set us free
The life that died, God rose again
Love revealed to me

Yes, you are, one and the same
I can't do it..
With any, one name
(Prince of peace, Wonderful, First and the Last)
Oh, Holy God of...

(Hallelujah)
Heaven
(Hallelujah)
And the humble Man who bore my shame
Are one, one and the same

Are one, one and the same
