We feature over 275,000 music lyrics and we are one of the first free sites to add the latest lyrics as new songs come out. All of our lyrics are either submitted in by users or added by moderators. If you have a lyric of song that you wish to request please do so. There is a "Request Lyrics" menu. One of the most popular entireties we have are Eminem lyrics, Rihanna lyrics, Christina Aguilera lyrics, Jessica Simpson lyrics, Justin Timberlake lyrics, Beyonce Knowles lyrics, and Nelly Furtado. Those average out to almost 20% of our current traffic. Our lyric search allows you to search though our lyrics database and if a match is not found you may request the lyric and it will get uploaded within a few days at the maximum. Furthermore recently we've been receiving e-mails in regards to Mp3 files. We do not distribute nor produce Mp3 files. If you wish to download Mp3s on the Internet we highly urge you to visit any Mp3 download site and download Mp3s at a rate of \$1 / file which helps the music industry tremendously. The request form above is not used for Mp3s but lyrics only.
