I know that you think you can't pray after that mistake  
But I know it's the only way you can make it better  
And I know situations get too much for you to take  
And you feel like you're gone break and it makes you say

I can't take it  
When will things get better?  
I'm so frustrated, but it's gonna be okay 'cause  
Got someone in your corner  
Gonna be there for ya  
Just fall on your knees, say a prayer and receive

When the world feels like it's on your shoulders  
(I pray, you pray, we pray)  
When your life seems like its upside down  
(I pray, you pray, we pray)  
When your lonely nights are getting colder  
(I pray, you pray, we pray)

I pray, you pray  
(No matter how dark the day)  
No matter how dark the day  
(All you'll have to do is pray)

I know you think you've gone too far and you waited too late  
But I know that He loves you and there's no love greater so  
And I know that it's hurting and you want your pain to end  
And you feel like you can't win and it makes you say

I can't take it  
When will things get better?  
I'm so frustrated, but it's gonna be okay 'cause  
Got someone in your corner  
Gonna be there for ya  
Just fall on your knees, say a prayer and receive

When the world feels like it's on your shoulders  
(I pray, you pray, we pray)

When your life seems like its upside down  
(I pray, you pray, we pray)  
When your lonely nights are getting colder  
(I pray, you pray, we pray)

I pray, you pray  
(No matter how dark the day)  
No matter how dark the day  
(All you'll have to do is pray)

Our Father which art in Heaven  
Hallowed be Thy name  
All you gotta do is say

Our Father which art in Heaven  
(No matter how dark the day)  
No matter  
(All you'll have to do is pray)

When the world feels like it's on your shoulders  
(I pray, you pray, we pray)  
When your life seems like its upside down  
(I pray, you pray, we pray)  
When your lonely nights are getting colder  
(I pray, you pray, we pray)

I pray, you pray  
(No matter how dark the day)  
No matter how dark the day  
(All you'll have to do is pray)  
No matter

Pray, pray  
[Incomprehensible]  
It's gonna be okay  
We're gonna be okay  
It's gonna be alright, have faith  
Everything will workout
