(Lord your worthy, oh so worthy) x's 5
And oh my soul
You have not been left alone
For He counted us worthy, so lets be worthy
Just trust and know
He strong enough to carry on
He counted us worthy, so lets be worthy
oh my soul

Your name is written in the book of life
Keep walking in dominion and his might
You serve the son you serve the one
Who knew you long 'fore you begun
And you are worthy, and you are worthy
Go ahead, encourage yourself
Look inside and draw from the well
The water flows and heaven knows
That you can't make it on your own
He said your worthy so lets be worthy

And, oh my soul
You have not been left alone
For he counted us worthy so lets be worthy
Just trust and know your strong enough to carry on
He counted us worthy so lets be worthy, eh
Oh my soul

So a man thinketh so does he believe
Faith is not about what you see
It doesn't matter how you feel
His word is right His love is real
He said you're worthy, so lets be worthy
Don't worry be happy and just say
The light is going to lead me all the way
Speak with authority and see
That even your words are victory
So say you're worthy, say you're worthy

For God so loved the world He gave His only son's life
So that two millenniums later we can go walking in that
light
So that nothing and no one can separate us from that

right
Let's be worthy (let's be worthy)
Let's be worthy, ooohhh
oh my soul (Oh, my soul)
You have not been left alone
He counted us worthy so lets be worthy
Just trust and know (Trust and know)
You're strong enough to carry on (Strong enough to
carry on, OH yeah yeah)
He counted us worthy so lets be worthy,
Oh my soul
