VERSE 1

We can fly to the distant stars,
Send a ship on a trip to Mars,
But they said, weâ€™d never ever find a way. (Mmm)
We can dive to the oceans deep,
Sail away on the wildest seas,
Still they say itâ€™s a dream too far away, (Ohhhh)

BRIDGE 1

Canâ€™t you see we can write this story,
With a little hope we can fight for glory,
Donâ€™t you know, after everything, weâ€™ve come
so farâ€¦!

CHORUS

Cos weâ€™re unstoppable, uh uh
Unstoppable, uh uh
We can break these chains,
We can make this change,
Together we can find a way
Cos weâ€™re unstoppable, uh uh
Unstoppable, uh uh
We can fight this case,
Gotta make a change,
Yeah weâ€™re never givinâ€™ up â€œ cos weâ€™re
unstoppable.

B-CHORUS CHANT

Uh uh uh, oowoah,
Uh u uh, oohwoah,
Uh uh uh, oohwoa-a-a-oh.

VERSE 2

We can climb every mountain high,
Another step and weâ€™d touch the sky,
Would you say, our dreamâ€™s still out of reach?
(Nooo)
We can tear down a mighty wall,
Build a bridge over obstacles,

Yeh we can do anything if we just believe (Ohh)

BRIDGE 2

Can't you see we can write this story,
With a little hope we can fight for glory,
Don't you know, nothing in this world's
impossible!

CHORUS

Cos we're unstoppable, uh uh
Unstoppable, uh uh
We can break these chains,
We can make this change,
Together we can find a way
Cos we're unstoppable, uh uh
Unstoppable, uh uh
We can fight this case,
Gotta make a change,
Yeh We're never givin' up 'cos we're
unstoppable.

MIDDLE 8

Yeah if you rise up above, it's a beautiful view from
way up here.
a-you can see every storm, every cloud in the sky just
disappear.
cos everybody knows we can make it now,
and nothing in this world's gonna hold us down,
together we can make any dream come alive.

CHORUS

Cos we're unstoppable, uh uh
Unstoppable, uh uh
We can break these chains,
We can make this change,
Together we can find a way
Cos we're unstoppable, uh uh
Unstoppable, uh uh
We can fight this case,
Gotta make a change,
Yeah we're never givin' up 'cos we're
unstoppable.
