I know these hills
I know these hills
I know the touch of the sacred ground
They'll lay my body down
I know these hills
Stone in the Earth
Rain in the sky
Blood on the blade
Hear the angels cry
Remember my name
Look in my eyes
oh oh
I know these hills
I know these hills
Ash into ash
Dust into dust
Father to son
Steal and a rust
Time comes a calling
And we all rise up
I know these hills
I know these hills
I know the touch of the sacred ground
They'll lay my body down
I know these hills
I know these hills
oh oh oh oh oh
