Mandy Lee, Mandy Lee
A chill running down my frame, yeah
Well, Mandy Lee, Mandy Lee
A chill running down my frame
Won't you come on home
And love me all over again?

Yeah, Mandy Lee, Mandy Lee
You're turning my heart aflame, yes
Oh, Mandy Lee, Mandy Lee
You're turning my heart aflame
You got me hot, sick and weary
'Cause you won't call my name

Oh Mandy Lee, Mandy Lee
Oh baby I'm sick inside
Oh Mandy Lee, Mandy Lee
Oh baby I'm sick inside, yeah, yeah, yeah
You took a Northbound train
And you didn't say goodbye

Oh yeah come on, oh that's good
Oh come on, right, one more time

Mandy Lee, Mandy Lee
I'm crawling all over the floor
Oh, Mandy Lee, Mandy Lee
I'm crawling all over the floor
Oh, I'm so tired baby
You don't love me no more, yeah

Oh, Mandy Lee, Mandy Lee
Chill running down my frame, yeah yeah yeah
Mandy Lee, Mandy Lee
Chill running down my frame
Yeah, why won't you come on home
And love me all over again?
