Oh yeah

Nights and days I waited for you
Waited for your love so true
But I'm wasting my time
Yes, I'm just losing my mind

I'm stuck here with misery
And your love, dear, could set me free
But I'm wasting my time
Yes, I'm just losing my mind

Well, I'm waiting in windows, waiting in doors
Walking across those bedroom floors
But I'm wasting my time
Yes, I'm just losing my mind

Well, give me a chance or give me a break
How much more can a poor boy take?
I'm wasting my time
Yes, I'm just losing my mind

Well, I'm drunk as can be
Your love could set me free
I need, yes I do, a loving so true
But I'm wasting my time
Yes, I'm just losing my mind

Well, can't you understand I need you so?
I never want to let you go
But I'm wasting my time
Yes, I'm just losing my mind

Well, I need you, baby, more and more
But last night, darling, you slammed the door
And I'm wasting my time
Yes, I'm just losing my mind

Well, I'm pleading, sweetheart, oh, don't let me down
I need you baby, need you around
But I'm wasting my time
Yes, I'm just losing my mind

Oh yeah, that's right, it's true
