### **"The World Is Mine"**

I'm a pirate on the seas, call me Captain Hook  
Everything belong to me, every cranny and nook  
Every rock, every bird, every animal in it  
This respect it ain't, I get cannibal wit it  
You thought Peter Pan, with life stories and fairy tales  
I walked through the concrete jungle wit just a scale  
A pound of weed, no seed, sippin on OE  
Back in '93 when the world didn't quite know me  
I traveled the seven seas, behind the scenes  
Before the pop queen, limousines and magazines  
Before the brain, Ben Franklins with no change  
Took a picture of the globe and hung it up in a frame  
Since dat day in '93, I been on my grind  
Since dat day in '93, the world been mine  
Gimme a straight shot of patron without no lime  
And some California kush just to ease my mind

*[Chorus: x2]*

I'll be damned if I ever gave a fuck what yall think  
On top, never get ranked how yall rank  
From where I'm from, to the Carribean seas  
The World Is Mine, everything belong to me

Create my own style, I ain't never been a bad guy  
Tell the media I'm really not a bad guy  
They try to make me a victim of my own plot  
Cuz people love to see ya dead when you on top  
They talk shit, "Kev sucks, why don't he retire?"  
You fucks set a fuel to my fire  
I make music America can feel  
Don't get it twisted, Popozao was from Brazil  
I'm a boss and you fuckas ain't half that  
Fat wrap, got tha black gat in his backpack  
So I'm not playing, and I'm not spraying  
One snap of the finger, the floor is where you laying  
The world is mine, and everything in it  
Young Jeezy told me that, so lma go and get it  
It's all a big game, watch me post pivot  
And state no opinion, unless your'e told to give it

*[Chorus x2]*
