Yea I been goin out every night
Havin a ball
Comin home about a quarter to 2
Oh, you said that you'd be leavin
If you didn't start seein a change in me really soon
You said it's gettin really old
And that you wanna be told
That I aint drinkin no more
Well now honey hear it goes,
You better listen close
Before you go walkin out the door

I ain't drinkin' anymore
Oh, I know that's what you want me to say
I ain't drinkin' anymore
I guess you finally got your way
Nope, I ain't drinkin' not a 1 beer
If that's what you wanna hear
But honey I must confess,
I ain't drinkin' anymore
But I ain't drinkin' any less
woohoo

I got lit the other night
Yea, I got in a fight
The police had me down on the ground
They were puttin on the cuffs
They really roughed me up
They said boy, we're takin you down
Before he read my rights
He said take my advice
Don't let me catch you drinkin' no more
I said officer please let me go
And I won't do it anymore
Come on let me go on home

I ain't drinkin' anymore
Oh, I know that's what you want me to say
I ain't drinkin' anymore
I guess you finally got your way
Nope, I ain't drinkin' not a 1 beer

If that's what you wanna hear
But honey I must confess,
I ain't drinkin' anymore
But I ain't drinkin' any less

I ain't drinkin' anymore
Oh, I know that's what you want me to say
I ain't drinkin' anymore
I guess you finally got your way
Nope, I ain't drinkin' not a 1 beer
If that's what you wanna hear
But honey I must confess,
I ain't drinkin' anymore
But I ain't drinkin' any less
No I ain't drinkin anymore
But I ain't drinkin' any less
