There's a hole in the wall just across the tracks
When I'm missin' you that's where I hang my hat
On the antler hook there by the door
I get bellied up and get ready for

A little long neckin'
Pourin' 'em down the hatch
Chug a lug a luggin' this regrettin'
Washin' away the past

Yeah, I'll do it up right
With a cold one tonight
A sure fire remedy
Yeah, long neckin'
Makes for short memories
Yes, it does

Now sometimes it just takes one or two
And you'd never even know that I knew you
Ah, but then there's nights you won't get gone
And I'm on that barstool all night long

Long neckin'
Pourin' 'em down the hatch
Chug a lug a luggin' this regrettin'
Washin' away the past

Yeah, I'll do it up right
With a cold one tonight
A sure fire remedy
'Cause, long neckin'
Makes for short memories

A lot of non-stoppin', top poppin'
Gets the forgettin' done
Lookin' down this bar, it's plain to see
I ain't the only one

There's long neckin'
Pourin' 'em down the hatch
Chug a lug a luggin' this regrettin'
Washin' away the past

Yeah, I'll do it up right
With a cold one tonight
A sure fire remedy
Yeah, long neckin'
Makes for short memories

Yeah, long neckin'
Makes for short memories
Yes, it does
I said long neckin'
