Ole lady's chewin' on my ear
There's moanin' and groanin' I don't wanna hear
I know her mouth is makin' words
All I heard was "blah, blah, blah"

Same ole story, just another day
A chore I didn't do, a bill I didn't pay
We've been around and round so many times
All I've gotta say is,

What's your point
Tell me somethin' I didn't know
I'm a hard headed son of a gun
That's just the way I roll
Old dogs, they never change
Don't waste your breath on me
Oh, I've heard it all before
Yeah, what's your point

Alarm's clock a-ringin', I'm really late
Another story I'll have to fabricate
About how traffic's bad,
The kids hid the keys

Boss man says this is my last chance
Tomorrow, it'll be the same song and dance
I don't think that you'll go to hell
For that punctuality

What's your point
Tell me somethin' I didn't know
I'm a hard headed son of a gun
That's just the way I roll
Old dogs, they never change
Don't waste your breath on me
Oh, I've heard it all before
Yeah, what's your point

People comin' at me tellin' me I'm wrong
Sayin' that I should change my ways
They can keep talkin', someday, they'll learn
All they're gonna get is blue in the face

What's your point
Tell me somethin' I didn't know
I'm a hard headed son of a gun
That's just the way I roll
Old dogs, they never change
Don't waste your breath on me
Oh, I've heard it all before

So, what's your point
Tell me somethin' I didn't know
I'm a hard headed son of a gun
Yeah, that's just the way I roll
Old dogs, they never change
Don't waste your breath on me
Oh, I've heard it all before
Yeah, what's your point

Tell me, what's your point
